Principal’s Report

We welcomed our new students at the first College assembly of the year on Thursday 29th January. Students are settling in and in Years 8-12 continuing the work begun in Headstart last year.

Council elections which are announced in this newsletter will be taking place in February, with three vacancies in the parent category and two in the DET category. I urge parents to consider standing for Council as it is a great way to get to know the workings of the school. Councillors discuss policy and manage the school’s finances, both important functions. The first meeting of the new Council will be on Tuesday 19th May at which the roles of Councillors and the Council responsibilities will be discussed. Please call me if you would like more information.

This is the only newsletter that is mailed out to families. From Thursday 19th February on, a hyperlink with which the newsletter can be accessed online will be emailed to parents and guardians each fortnight. Please ensure we have your correct email address, as most information is relayed to parents via email. We get as many as 100 bouncebacks due to incorrect email addresses. If there are parents who each require a separate newsletter, please make sure we have both addresses.

Our VCE data for 2014 was excellent, with 12% of students gaining ATARs over 90 and 33% over 80. All but one student who applied received a first round offer.

Of course, we would like to do even better this year, so parents are encouraged to provide a quiet place for students to study right from the start of the year. VCE students should cut back their paid work to allow time for added study and some recreation.

We welcome Mr David Russell as the new Assistant Principal in charge of the Middle School, as well as several new teachers and many new students.

I look forward to an outstanding year with our wonderful students and staff, supported by parents and friends.
College Matters

School Photo Order Options

‘Aussie’ will take multiple images of each student on Monday 9th February.

Parents can go online to place an order prior to school photo day by using their WEB LOG ON CODE which is printed on their pre-payment order form. Pre-orders can be edited online within 14 days of photo day if changes are required.

Parents can call Customer Service 9707 6653 if they encounter any problems OR

Parents can choose a photo package in a preferred graphic design and return order in permanent sealed plastic bag with payment to photographer on photo day OR

Parents can choose to wait five working days to go online to VIEW the images, CHOOSE the image they prefer and CREATE a package to suit personal needs for content and price. Student will be given a unique log-on code on photo day to enable VIEWING of images online www.schoolphoto.com.au

Please write WEB ORDER across the order form if you intend to order online and hand to photographer on photo day when having portrait taken.

To ensure photos are included in the bulk delivery to the school, online orders should be made within 14 days after photo day. No extra costs or late penalty applied within this period.

All queries should be directed to the Aussie Customer Service Department 9707 6655.

Sibling Photos

Sibling groups will be photographed on photo day if presented to the photographer. Please note: Sibling photos are taken on a ‘Proof’ system. No pre-payment required on the day.

Proof copies of images together with order form and photo pack choices are sent via the school with delivery of student photo orders. Sibling images can be viewed online five days after photo day.

Orders can be placed online or posted back to Aussie School Photos: 116 Old Princes Highway, Beaconsfield 3807.

Ms Carol Duggan
Assistant Principal

60th Year Anniversary

MGSC turns 60 this year and we are in the process of organising events to mark this occasion. At this stage we have set aside two days for whole school celebrations – Friday 21st and Saturday 22nd August. I will be working with teachers, the student leaders, the Past Students’ Association and the Parents and Friends’ Association and seeking their input. Please contact me at the school if you have any suggestions for ways in which celebrate this milestone.

School Environment

This year we welcome back the MGSC recycle team who visit the school each Thursday and handle the school’s paper recycling. The team consists of a group of adults who suffer from autism, and come from the Beachlynn Day Service, which is part of Statewide Autistic Services (SASI). This will be their eighth year with us. They are assisted by three Year 10 students: Chloe Jacobs, Katarina Martinic and Anastasia McRae-Jansen, who work with them over lunchtime.

Environment Committee

I will be supervising the Environment committee and I am looking forward to working with our gardener, Jessie Buckley, and the team of students on a range of gardening and sustainability projects. However, it is not the responsibility of the environment committee to pick up rubbish. Every student is responsible for putting all her own litter into the bin.

Parents and Friends’ Association

The PFA AGM will be held on Tuesday 24th February at 7.30pm in the staffroom. This is an important meeting where we make decisions about the best way for parents to support the school through helping at major events and attending working bees. We will also elect office bearers for 2015. I look forward to seeing lots of parents (new and returning) at this meeting.

Absences

If your daughter is absent, leaving early or arriving late, please ring the central absence line on 9581 5236. You can leave a message 24 hours a day and you don’t have to send a note with your daughter if you leave a message.
Uniform
Could all parents please make sure ALL clothing is clearly named. We often find jumpers, blazers or PE gear left at school and we cannot return it if it is not named.

Collection Points
If you are dropping off or collecting your daughter from school, please don’t come into the school with her or wait outside of the Junior Learning Centre for her. Please arrange to meet her outside the gym or outside the school gates.  
Ms Bronwyn Moline  
Assistant Principal

School Council Elections 2015
What is a school council and what does it do?
All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within statewide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?
For most school councils, there are three possible categories of membership:
- A mandated elected Parent category – more than one third of the total members must be from this category. Department of Education and Training (DET) employees can be Parent members at their child’s school as long as they are not employed at the school.
- A mandated elected DET employee category – members of this category may make up no more than one third of the total membership of school council. The principal of the school is automatically one of these members.
- An optional Community member category – members are co-opted by a decision of the council because of their special skills, interests or experiences. DET employees are not eligible to be Community members.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

Why is parent membership so important?
Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school. Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?
The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.
In view of this, you might seriously consider

- standing for election as a member of the school council
- encouraging another person to stand for election.

Do I need special experience to be on school council?
No. What you do need is an interest in your child’s school and the desire to work in partnership with others to help shape the school’s future.

What do you need to do to stand for election?
The principal will issue a Notice of Election and Call for Nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March. If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category. DET employees whose child is enrolled in a school in which they are not employed are eligible to nominate as parents for the school council at that school. Once the nomination form is completed, return it to the principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination. Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.
Remember
- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.
Contact the principal for further information.

Notice of Election and call for Nominations
An election is to be conducted for members of the School Council of: Mentone Girls’ Secondary College.
Nomination forms may be obtained from the school and must be lodged by 4pm on 19/02/2015.
The ballot will close at 4pm on 05/03/2015
Following the closing of nominations a list of the nominations received will be posted at the school. The terms of office, membership categories and number of positions in each membership category open for elections are as follows:

<table>
<thead>
<tr>
<th>Membership Category</th>
<th>Term of Office</th>
<th>Number of Positions</th>
</tr>
</thead>
<tbody>
<tr>
<td>Parent Member</td>
<td>From the day after the date of the declaration of the poll in 2015 to the inclusive of the date of the declaration of the poll in 2017</td>
<td>3</td>
</tr>
<tr>
<td>DET employee member</td>
<td>From the day after the date of the declaration of the poll in 2015 to and inclusive of the date of the declaration of the poll in 2017</td>
<td>2</td>
</tr>
</tbody>
</table>

If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school.

Ms Deborah Lehner
Principal

Assistance for families in need...
The student wellbeing coordinator (SWC) has the capacity to assist families who have been assessed (HCC, disability, special circumstances, low income) as “in need” of financial/material items.
Uniform – Free second hand uniforms. Alternative: 2nd hand shop or discounted new uniforms.
Books – Assistance with hard copy books but not electronic bundles. No assistance with calculators, stationary or laptops.
Fees – Assistance with camps and excursions. No assistance with music fees or general school fees (please speak with Corinne Humphrey about instalment plans).
Please contact if you need to be assessed or have any questions.

Ms Leona Thomson
Student Wellbeing Coordinator

Year 7 students received immunisation cards with their enrolment packs.
Year 10 students will receive their immunisation cards week beginning 2nd February.
Year 8 and 9 students will receive their immunisation cards in Term 2 and 3.
Please return by Friday 13th February to the First Aid room or the General Office.
Additional cards can be collected from the First Aid room.
Any queries please phone Sue or Lina 9581 5234.
Oral Medication for Students

All prescribed medication should be provided to the First Aid centre in a container that gives the name of the student, dose and time to be given. The name of the medication should be clearly marked. Medication will then be stored in a locked cupboard and accessed by the first aiders when required by students. Students are not to carry medication in their bags or store it in their lockers.

Please note that the First Aid centre does not provide analgesics (i.e. paracetamol, aspirin, ibuprofen etc). Analgesics will only be dispersed to students if they are provided by parents/guardians as above.

These instructions are in accordance with The Department of Education and Training - First Aid Policy.

Sue Gravina and Lina Mansour
First Aid Officers

Careers

Year 10 Students

Work Experience is fast approaching and students must secure a placement. Persistence and determination are key factors in being successful. Keep going despite the knockbacks you may encounter on your journey to success.

“A little more persistence, a little more effort, and what seemed hopeless failure may turn to glorious success.” ~ Elbert Hubbard

VET Students

All students doing a VET course must have a USI by 27th February or they will not be able to continue with the VET program. Please ensure that you obtain one immediately.

Ms Rebecca Poulos
Careers Coordinator

International Students Program News

We would like to introduce three new International Students from China to the Middle School level: Yuxin Tian, Sarah Yu and Cici Yu. They are excited to be at our school and have been impressed by the support of the local students.

We also used the first student day of the year to film the school and its students, emphasising the opportunities available to our students. This film will be used to promote our College in China. If your daughter brought home a permission form to be filmed, could this be returned to Ms Moline.

This was followed by a ‘Meet and Greet Your Teachers Luncheon’ for the International Students, which concluded the week on a high note and allowed us to congratulate both Coco Zhen and Daisy Ling as the two new leaders for International Students.

Ms Ekaterina Xanthopoulos
International Student Program and ELC Manager

Senior School News

Congratulations to our class of 2014 for their wonderful results. We are proud of their achievements and most look destined to take courses of their choice at tertiary intuitions. It is also notable that there was an inaugural VCE Baccalaureate group of 17 students who graduated with this certificate. So this was a seminal year in the college’s academic year.

These students are as follows: Elizabeth Bradbury, Maria Bulmaga, Amy Cheevers, Si Jing Chen, Nicole Crozier, Tiara Dealey, Ginger Jenkins, Volha Kazlova, Kloe Kesidis, Marian Kesidis, Emily Laughton, Nadya Lazareva, Alison Lonsdale, Elise Mak, Maria Petraki, Amy Prentice and Sun Haoyue.

The Year 12 students will be embarking upon a study camp in the college later this week. On Thursday night there is an opportunity for Year 12 parents to meet with their daughters’ teachers from 6 to 7pm in the VCE Centre.

Congratulations to Katharina Alf and Jennifer Schaumann who scored 45 and 47 respectively as Distance Education students in German language. Their dedication and excellence in following through all the requirements of the courses are to be commended.

Nicole Crozier attained a study score of 49 in Textiles – Product Design.

Senior School Team
Middle School News

After the initial period of memory loss over the summer break for locker combinations and access to XUNO procedures for their timetables, the students have settled into the school routines with enthusiasm.

The Year 9 and 10 students who have been elected as year level leaders and SRC representatives have been announced and letters of congratulations sent home. They will be recognised in front of their peers at year level assemblies and they will receive their badges at a forthcoming whole school assembly which will also celebrate International Women’s Day. They attended leadership training which this year was held in the Middle School corridor.

We have welcomed a number of new students during Headstart and this year. In the coming weeks the new students and a buddy will be invited to a special morning tea.

If you wish to contact us the student managers for each level are as below (9581 5208 or 9581 5218):

Junior School News

Welcome

A huge welcome to our new Year 7s and a big welcome back to our Year 8s. We hope they had a great holiday and are ready for a productive year! It was fantastic to see so many parents attend the College Assembly on the first day and watch the school welcome the Year 7 cohort into the gym.

We are excited to be working with the girls and their families this year. To contact any of the team, please ring: Year 7 Student Managers & Ms Steinfort – 9581 5240 / Year 8 Student Managers – 9581 5244

Year 7 Parent Information Evening – Tuesday 10th February

An invitation is extended to all Year 7 parents to attend a Parent Information evening on Tuesday 10th February beginning at 7pm in the Lecture Theatre. This is a good opportunity for parents to meet other parents from their daughter’s class and teachers working with their daughters. The formal part of the evening will conclude in the JLC at about 8.30pm but parents are invited by our wonderful PFA to stay and enjoy a drink and nibblies. All Year 7s have been given a letter with more information. Please call us if you need further details.

Year 7 Camp – Arrabri Lodge

Year 7ABCD will be attending camp at Arrabri Lodge in Warburton East on Monday 23rd – Wednesday 25th February and Year 7EFGH from Wednesday 25th – Friday 27th February. The girls need to be at school by 8.45 on the day they leave and will be returning to school at approximately 2.30pm on their final day of camp. We ask that parents make arrangements to collect them on time as the girls will be tired (and so will the teachers!) Clothing lists and lots of camp information will be distributed to the girls in the near future.

Lunchtime Activities

Bayside City Council Youth Workers are running workshops in the JLC every Tuesday lunchtime for our Year 7
students. This is a great opportunity for the girls to make new friends from other classes and make origami, button bracelets, cards and mini-canvases.

Junior School Team

English News
Welcome to all MGSC students and parents to 2015 English.
This week all students will be given an English course outline in hard copy to keep in the front of their workbooks, which itemises the studies for each term in English. Students will be bringing these course outlines home to be signed this week. The idea is to make success criteria known to students and parents, not just teachers, thus developing and supporting the students’ growing confidence, independence and efficacy.

In the course of each term, students and parents will be able to check the text for study, and discuss progress to ensure there are no non-submissions of work and to reduce anxiety.

Please note the texts for study in English in term one on this course outline. Your child should be reading and completing work tasks on this text very soon. Thank you for your cooperation.

Ms Nola Rees
Director of Teaching and Learning - English and Literacy

Maths @ MGSC
Welcome
A BIG WELCOME to everyone from our fabulous Maths team at MGSC. We hope you all enjoyed a wonderful break and are prepared to do your best in all aspects of your learning this year. For the Year 7s and other students joining MGSC for the first time, you join a school which values all students and commits to achieving excellent outcomes.

Improving Results
What can students do to achieve impressive results in maths?
• Come prepared for lessons with appropriate books, writing materials.
• Be positive and show determination to do well.
• Become an active member of class and take the opportunities to share skills and work with classmates to develop a deeper understanding in maths.
• Think about how they learn, building on strengths and addressing any areas for improvement.
• Try different approaches to problems and discuss these with classmates, before seeking assistance.
• Keep tidy notes, including good examples of worked solutions for a range of problems.
• Try constructing their own challenging problems and work through solutions.
• Revise topics throughout the year, not only for topic tests, but for exams as they occur.
• Set a study timetable that allows time to complete assignments, update notes and revise for tests/exams.
• Work with classmates in study groups in the library, or at home.
• Last, but not least have some fun.

Maths Homework Club
Our Maths Homework Club is running again throughout this year to provide students with extra support for their maths studies. Everyone is welcome. It is held in Room 12 on Tuesdays 1.15-1.45pm and Thursday 3.20-4.45pm.

And remember... “Maths makes are real difference.”

Maths Domain Team

At the beginning of the school holidays Teiki Waata was selected by Life Saving Victoria to represent Victoria in their Southern States Carnival. After a number of qualifying trials during October and November, only four girls for U13s in Victoria are selected, so this was an exciting achievement for her. Congratulations, Teiki!

Year Food For Life are back into it creating kangaroo meatballs last week. Sarsha and Jess assisted with the demonstration on Thursday and served the class of 21.
Getting used to new subjects and new teachers, as well as forming new friendships, are just some of the requirements of this transition.

Starting secondary school is a time of change and uncertainty, which places new demands on young people. Being at the bottom of the pecking order where they are unsure of the playground hierarchies is just one adjustment that they need to make.

Some kids take these new experiences in their stride but it is natural to experience some difficulty, particularly when it’s accompanied by the potentially unsettling transition from childhood to adolescence. It’s no coincidence that many research projects indicate that children’s learning levels out in the transition year, presumably because the social tasks of adjustment take precedence over academic performance.

It helps to remember the Four P’s to help your young person settle in:

1. **Promote friendships**
   The quicker kids form new friendships the sooner they’ll feel comfortable in their secondary school surroundings. Encourage your young person to be open to forming friendships with all sorts of kids; to be accepting of others who may be different to them; to take social risks by joining in activities even though they may feel uncomfortable; and to be friendly, approachable and positive!

2. **Practice patience**
   Patience and understanding in the early weeks is essential. Brush up on your listening skills as you help your young person adjust. Talk to your young person about change and reassure them that it is normal to feel unsure or nervous in new circumstances. Let them know that many difficulties they face will be temporary.

3. **Pursue a positive attitude**
   Confidence is catching so make sure you see this transition time as an exciting challenge that your child can handle rather than an event to be feared. Ask them about the new subjects or interesting activities they are doing, and try to shift their focus to the positive aspects of school. Discuss settling in issues with the appropriate person such as a year level coordinator, but give your young person time to handle them on their own before seeking help.

4. **Process their day**
   Some young people may come home with fairly exaggerated accounts of secondary school and may not always paint a fair picture. They may become sensitive to things that they might have shrugged off in primary school. Listen without judgment and show a real interest in their new school, while providing them with the space they need to get away for a while. Expect some behaviour blowouts as many kids let off steam in the relatively safe and stable environment of a loving family.

If your eldest is starting, then secondary school will be a relatively new experience for you too. It will take some time for you to adjust to the school’s culture and communication methods.

Although secondary schools may seem a little foreign for those used to the relative intimacy of primary schools, one aspect is the same – outcomes for students are maximised when schools and parents work together in the best interests of the student.

One way to support your young person’s school is by actively promoting the school’s values. For instance, if respect is a prominent school value then you can discuss this in relation to the way your young person behaves around friends, relatives and family.

Most importantly, talk up your young person’s new school, rather than talk it down, as kids of all ages take their cues from the most significant adults in their lives – their parents!
