

The **Jacaranda Digital Bundle** for Years 7–10 provides a complete suite of premium learning resources powered by the new learnON platform to maximise your child's learning outcomes.

DIGITAL BUNDLE BENEFITS

Value for money

Provides nine core curriculum titles and six digital-first resources at a fraction of the cost of individual purchases for unmatched value for money

Student engagement

Hundreds of videos and interactivities are directly embedded at the point of learning to bring to life complex concepts

Success

A user-friendly dashboard and 360-degree view of progress and achievement levels give students immediate insights into their own performance and work habits

A HIGH VALUE PACKAGE

The Jacaranda Digital Bundle provides your child with access to 15 premium digital resources that are valued at more than \$400 individually, at a price of **only \$154.95 per student**. The Jacaranda Digital Bundle includes access to eBook for nine subjects and Jacaranda's unique digital-first resources: myWorld Atlas, myWorld History Atlas, assessON Maths Quest, assessON Science Quest, SpyClass and Knowledge Quest.

EASY SET UP

Jacaranda creates your child's **JacPLUS** account and uploads all digital resources, ready for the start of the school year. Once set up, your child can access their resources anytime, anywhere, from any digital device. Each account is password protected and should only be accessed by your child. The following information will be provided to the school before the start of the school year:

- Account login details for your child
- Instructions if they lose their password
- List of all resources in each student's **JacPLUS** bookshelf
- How to launch **JacPLUS** for the first time
- User guides and how to contact the Customer Support team

PAYMENT

Jacaranda has created a Parent Payment Portal website so parents can pay for the Jacaranda Digital Bundle easily and securely online. Detailed information on how to use and when to access the website will be provided through your school later on in the year.

The Jacaranda Digital Bundle provides your child with:

LEARNON PREMIUM EBOOK RESOURCES

learnON is the new immersive eBook from Jacaranda. Your child enjoys:

- **Everything in the one place** (reading content, questions, answers, solutions, results and more) with access to many features in just one click
- **Integrated videos and interactivities** at the point of learning to support and enhance their learning
- **Visibility** into their own performance and progress
- **Customisation features** such as highlighting, notes and favourites to personalise the experience
- **Immediate feedback** via worked solutions and questions that are automatically marked
- **Personalised feedback** from their teacher
- **Online connection** to their peers and teachers to extend the classroom experience beyond the bell

DIGITAL-FIRST RESOURCES

jacaranda | **assessON**

assessON is an online assessment tool that assesses and tracks students' readiness FOR learning, their progress AS they learn and their levels OF achievement (includes two versions: assessON Maths Quest and assessON Science Quest)

Knowledge Quest is an immersive and motivating quest-based gameplay which engages students as they learn core English skills

SpyClass is a mathematical game designed to heighten your students' engagement in Mathematics and is directly linked to **Maths Quest**

myWorld Atlas instantly engages students and provides an online environment for students to explore and test their geographical knowledge and skills

The award-winning **myWorld History Atlas** transport students to the most amazing historical locations throughout the history of time
