

Planning  
the next  
project

## Dear Parents, Guardians & Families

MGSC is committed to continually improving our facilities to provide dynamic spaces for the forward thinking learning experiences we provide our students. In 2020 we developed the STEAM Connect Centre which has quickly become a focus for innovation and creativity. The building project was funded by MGSC.

The next stage is the development of a Master Plan to guide building projects into the future. This plan will assist with project planning and with securing government capital funding. Having additional financial resources available will place us in a strong position to initiate the next construction project soon.

**At the end of the current financial year, we invite donations to MGSC's Building Fund.  
Donations are tax deductible and receipts will be issued.**

Payments can be made through Trybooking:

[www.trybooking.com/au/donate/mgscbuildingfund](http://www.trybooking.com/au/donate/mgscbuildingfund)

or by using the form below.

For further information contact our Business Manager, Kelly Lloyd-Vanni ([kelly.lloyd-vanni@education.vic.gov.au](mailto:kelly.lloyd-vanni@education.vic.gov.au)).

Thank you for your consideration.

**Linda Brown**  
Principal

**Rachael Angus**  
College Council President
