

Dear Parents and Students

Please read the information below for details of the resources required in Year 9. Textbooks and stationery are listed in the attached Champion Education booklist, though you are welcome to use suppliers of your choice. If purchasing elsewhere, please ensure that the correct editions of textbooks are purchased.

If purchasing or acquiring secondhand textbooks, please read the information in the secondhand textbook list regarding the cost and purchase options for digital reactivation codes. Secondhand textbook digital codes are usually deactivated by publishers at the end of the year and require a reactivation code. Reactivation codes should be purchased from January. Do not purchase at the end of the school year.

Please also refer to the [BYOD Program Parent Guide](#) for information about the laptops that can be used at MGSC and also for details of the online textbooks and other online resources.

YEAR NINE

Please note that some items on this Resource List are digital products. If you're buying a reactivation code, you'll need to have a second-hand copy of the required book with an access code inside to access the digital content. Digital texts are valid for 1 year unless noted otherwise. Please make sure you're certain before ordering, as digital resources cannot be returned, refunded, or exchanged if you change your mind.

BYOD PROGRAM

Please refer to the BYOD Program information in Compass 'School Documentation' for information about device specifications, available software and required accessories.

PRINTING AND PHOTOCOPYING

All students are provided with a printing allowance of \$15 at the start of each term. Printing is charged at 8c per page for black and white and 49c per page for colour. If students use up their printing allowance in a term, they can purchase a print card from the General Office and use this to top up their PaperCut account. Top ups can be purchased in \$5 amounts.
