

FIRST AID POLICY

Help for non-English speakers

If you need help to understand the information in this policy please contact the General Office on 9581 5200 or via email on mentone.girls.sc@education.vic.gov.au.

PURPOSE

To ensure the school community understands our school's approach to first aid for students.

SCOPE

First aid for anaphylaxis and asthma are provided for in our school's:

- Anaphylaxis Policy
- Asthma Policy

This policy does not include information on first aid requirements for COVID-19. Our school follows the Department's operational guidance for first aid management relating to COVID-19.

POLICY

From time to time Mentone Girls' Secondary College staff might need to administer first aid to students at school or school activities.

Parents/carers should be aware that the goal of first aid is not to diagnose or treat a condition.

Staffing

The Principal will ensure that Mentone Girls' Secondary College has sufficient staff with the appropriate levels of first aid training to meet the first aid needs of the school community.

Our school's trained first aid officers are listed in our Emergency Management Plan (EMP). Our EMP includes the expiry dates of the training. Refer to the [2022 First Aid training database](#) . This list is reviewed on an annual basis as part of the annual review of our Emergency Management Plan.

Trained Staff

- A sufficient number of staff (including education support staff) are to be trained to a minimum Apply First aid certificate (Provide First Aid including CPR),
- CPR update yearly.
- Comply with Ministerial Order 706 for Anaphylaxis training.
- School Anaphylaxis Supervisor(s) to complete and hold current Course in Verifying the Correct use of Adrenaline Auto injector(every 3 years)
- ALL school staff (including supervisors) to complete Anaphylaxis e-training every 2 years.

- Staff who complete the e-training have to demonstrate to supervisors that they are competent in using an EpiPen.
- All staff Asthma training every 3 years.

First aid kits

Mentone Girls' Secondary College will maintain:

- Mentone Girls' Secondary College has 17 fixed First Aid kits, 5 First Aid Kits, 3 First Aid backpacks and 10 First Aid Bumbags, which may be used for excursions, camps, or yard duty. The portable first aid kits will be stored in the first Aid office

The First Aid team will be responsible for maintaining all first aid kits, ensuring they are managed in accordance with the Department's policy and guidance on first aid kits – refer to [First Aid kits](#).

Care for ill students

Students who are unwell should not attend school.

If a student becomes unwell during the school day they may be directed to the First Aid Office and monitored by staff. Depending on the nature of their symptoms, staff may contact parents/carers or an emergency contact person to ask them to collect the student.

First aid room/sick bay area

Our school follows the Department's policy and guidance in relation to our first aid room to ensure it is safe, hygienic and appropriately equipped: [First aid rooms and sick bays](#).

First aid management

If there is a situation or incident which occurs at school or a school activity which requires first aid to be administered to a student:

- Staff who have been trained in first aid will administer first aid in accordance with their training. In an emergency situation, other staff may assist in the administration of first aid within their level of competence.
- In a medical emergency, staff may take emergency action and do not need to obtain parent/carers consent to do so. Staff may contact Triple Zero "000" for emergency medical services at any time.
- Staff may also contact NURSE-ON-CALL (on 1300 60 60 24) in an emergency. NURSE-ON-CALL provides immediate, expert health advice from a registered nurse and is available 24 hours a day, 7 days a week.
- If first aid is administered for a minor injury or condition, First Aid staff will treat the student and then return them to class.
- If first aid is administered for a serious injury or condition, or in an emergency situation, school staff will attempt to contact parents/carers or emergency contacts as soon as reasonably practical.
- If staff providing first aid determine that an emergency response is not required but that medical advice is needed, school staff will ask parents/carers, or an emergency contact person, to collect the student and recommend that advice is sought from a medical practitioner.
- Whenever first aid treatment is administered to a student resulting from a student incident, injury or illness, Mentone Girls' Secondary College will:

- record the provision of first aid treatment on Compass and in the MGSC First Aid daily book.
- If the first aid treatment is provided following a [recorded incident](#), the details are recorded through the eduSafe Plus *Incident* form.
- if care was provided in response to a medical emergency or reportable incident, follow the Department’s [Reporting and Managing School Incidents Policy](#), including reporting the incident to the Department’s Incident Support and Operations Centre on 1800 126 126 where required to under that policy.

In accordance with Department of Education and Training policy, analgesics, including paracetamol and aspirin, will not be stored at school or provided as a standard first aid treatments. This is because they can mask signs of serious illness or injury. For further information refer to the Department’s Policy and Advisory Library: [Medication](#)

COMMUNICATION

This policy will be communicated to our school community in the following ways.

- Available publicly on our school’s website
- Included in staff induction processes and staff training
- Included in staff handbook/manual
