

PHOTOGRAPHING, FILMING AND RECORDING STUDENTS' POLICY

PURPOSE

To explain to parents/carers how Mentone Girls' Secondary College will collect, use, and disclose photographs, video and recordings of students, how parent/carer consent can be provided and how it can be withdrawn.

SCOPE

This policy applies to the general collection, use and disclosure of photographs, video, and recordings (images) of students. It does not cover the use of Closed-Circuit Television (CCTV). The use of CCTV is covered in our school's CCTV policy.

POLICY

This policy outlines the practices that Mentone Girls' Secondary College has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014 (Vic)*. It also explains the circumstances in which Mentone Girls' Secondary College will seek parent/carer consent and how consent can be provided and/or withdrawn.

As a rule, use relates to images which are shared and distributed only within the school for school purposes (i.e., ID photos, Compass), whilst disclosure is used for images which are shared and distributed outside of the school staff and are available to other students, parents/carers and the wider school community.

Mentone Girls' Secondary College will use student images reasonably, appropriately, and sensitively, consistent with our obligations under the Child Safe Standards. If at any time a parent/carer or student has a concern about the use of any images they should contact the Principal.

In addition to the processes outlined below, parents/carers can contact the Principal in writing at any time to withdraw their consent for any future collection, use or disclosure of images of their child. However:

- if the images have already been published and are in the public domain, it may not be possible for consent to be withdrawn.
- There may be occasions when the school will record whole of school or large group events, such as school events, celebrations, theme days, sporting events and if your child participates, they may appear in these recordings which will be available to the whole school community.
- The school can still collect, use, and disclose images in circumstances where consent is not required (see below for more information).

Official school photographs

Each year Mentone Girls' Secondary College will arrange for a professional photographer to take official school photographs of students. This will generally involve both class photos and individual photos being taken.

Official school photographs may be:

- purchased by parents/carers
- used for school identification cards
- stored on CASES21 for educational and administrative purposes.

Mentone Girls' Secondary College will notify parents/carers in advance of the official school photographs being taken to give them an opportunity to decide whether their child will be included in the official school photographs.

Parents/carers who choose to opt-out of having their child participate in official school photographs must contact the relevant Assistant Principal before the date photos are scheduled to be taken to advise that their child will not participate. There is no obligation on any parent or carer to purchase any photographs taken.

Images for use and disclosure within the school community and ordinary school communications

From time-to-time Mentone Girls' Secondary College may photograph, film or record students to use within the school community, including:

- in the school's communication, learning and teaching tools (for example, emails, or apps that can only be accessed by students, parents or school staff with passwords eg Compass,)
- for display in school classrooms, on noticeboards etc
- in the school's newsletter
- to support student's health and wellbeing (eg photographs of pencil grip to assist in OT assessments)

Parents are asked to familiarise themselves with this policy and indicate on the MGSC enrolment form if they do not want images of their child collected or used by the school (excerpt from enrolment form below)

Images to manage student behaviour or fulfil our school’s legal obligations

On occasion it may be necessary for school staff to photograph, film or record students when necessary to:

- fulfil legal obligations, including to:
 - take reasonable steps to reduce the risk of reasonably foreseeable harm to students, staff and visitors (duty of care)
 - provide a safe and suitable workplace (occupational health and safety law)
- for identification purposes, when necessary to implement discipline and/or behaviour management policies.

Mentone Girls’ Secondary College does not require or obtain consent from parents/carers or students to photograph, film or record students for these reasons. However, when Mentone Girls’ Secondary College photographs, films or records a student for any of these purposes, staff will only collect and use such images in a way that is reasonable and appropriate in the circumstances.
